Marcel Ray Duriez Most Songs on a Digital Album

Dear Guinness World Records,

I am writing to formally submit my application for the Guinness World Record for the most songs on a digital album. My album, "Duriez: Most Songs On A Digital Album - Marcel Ray Duriez Longest Digital Album," contains 6,000 tracks, significantly surpassing any previously documented release.

AKA (Longest officially released instrumental)

This monumental project, available for purchase and licensing through platforms like Rate Your Music (

https://rateyourmusic.com/release/album/various-artists/duriez-most-songs-on-a-digital-album-marcel-ray-duriez-longest-digital-album/) and listed on Album of the Year (https://www.albumoftheyear.org/album/979719-marcel-ray-duriez-marcel-ray-duriez-duriez-most-songs-on-a-digital-album-marcel-ray-duriez-longest-digital-album.php), represents a new benchmark in digital music production. The sheer volume of tracks, coupled with their varying lengths (including many exceeding the typical song length and some over twenty minutes), demonstrates a unique approach to composition and a dedication to pushing creative boundaries. The album is also available on platforms like SoundClick (https://www.soundclick.com/artist/default.cfm?bandID=1502438) and Archive.org (https://archive.org/details/LongestDigitalAlbum), further demonstrating its official release and accessibility.

The creation of this album was a focused and intensive process, driven by my ambition to explore the full potential of the digital music format. As a multi-instrumentalist (guitar, keyboards, drums, ukulele, trumpet, etc.), I performed and produced all tracks myself, showcasing a wide range of musical styles and influences.

I understand the stringent verification process required by Guinness World Records. I am prepared to provide a complete track list with durations, proof of official release for each track, and any other documentation necessary to substantiate my claim. I am confident that "Duriez: Most Songs On A Digital Album - Marcel Ray Duriez Longest Digital Album" meets all criteria for this record.

Thank you for your time and consideration. I am eager to contribute to Guinness World Records' celebration of extraordinary achievements in music.

Sincerely,
